

## Electronic Giving to TLC

We now have more flexibility in our options to give at TLC. We still welcome checks and cash, however for those of us who prefer electronic transactions, we now have a couple of options for that as well. One of the advantages of electronic giving is that you can set it up as recurring, once you know how much you normally give and the frequency. You can set up electronic auto-giving through your bank. Here are a couple of options:

- **Online Giving**

You can give online through Realm without the need to sign-in to your account, just click on this link.  
<https://onrealm.org/TheLightChrist/Give>

- **Text Giving**

You can give through texting, text **TLCgiving** to **73256**, followed by your gift amount. Standard text message and data rates may apply.

- **Set Up Online Giving through Your Bank**

This option should be free to the customer as well as TLC.

You can contact your bank and ask them to help you set this up OR
