Life on earth will never be the same again!</p> <p>Father God, the star that led the Magi to the stable announced to the world that its Savior was born. Today we live in a world that is still covered by darkness, and still needing to make that journey to the stable door. May our lives reflect your light day by day, as we seek to serve where you have placed us. That we might be the means through which others can encounter Jesus Christ. Amen</p>
