

The Light of Christ

ANGLICAN CHURCH

June 6, 2018

Dear Light of Christ Family,

I am very pleased to announce that Reverend Donald Nwankwo and his wife Becky have enthusiastically accepted our call to be our Senior Pastor! We were all taken with Donald and Becky, their love for the Lord, each other, and their family during their visit last weekend. One Vestry member noted how “real” they were with us last weekend and how clearly their lives are connected to scripture. Their target for moving to Denver is on or before August 26, when Bishop Ken Ross will be with us.

In thanking us for the warm welcome they received Donald said “The picture that the service painted of your community was very impactful for us. It is such a profound reflection of the various aspects of Christ’s Kingdom mission on earth. I saw a community of believers who have decided to put forth their hands unto the plough, and (hopefully) not look back.”

If anyone doubts that God answers prayers, I will speak to them about our search process. From the beginning, our prayer was that God would reveal to us and to him the man that God has been preparing to be our new Rector. We are all convinced that our prayers were answered. As further confirmation of what the Holy Spirit has been saying to us and to Donald, Bishop Ross believes that Donald was the right choice. And, after speaking with Donald a few weeks ago, Jay Holsted told me that if Donald isn’t the right choice for TLC, I don’t know who is.

The search process was of course directed by the Holy Spirit, but our excellent Search Committee skillfully led by Mark Wakefield, heard the Spirit and moved us quickly to the successful conclusion of the process. I am grateful for their work, and for all of the prayers that you all poured into finding the man meant to be our leader.

Praise God From Whom All Blessings Flow.

Neil Peters, Senior Warden
