

2022 Vestry Bio's

My name is **Pam Munter**. I am in my third year serving Pastor Donald as Senior Warden. My husband Dean and I have two sons, Ethan and Jared. We have been members at TLC since 2000.

I have served as a chalice minister, acolyte, usher, worked the soundboard and filled in where needed during the Sunday services. I am a member of the COVID response team, the Finance Committee and a Women's Bible Study.

My faith has strengthened and grown since I came to TLC and I am constantly renewed and energized by the compassion and spiritual depth of this parish and its people. I am honored to serve as the Senior Warden for a third year and pray for continued growth, financial security, increased support for our current ministries, and for new ways where TLC can be the hands and feet of Christ in this parish, community, and the world.

My Name is **Jacob Blessing**. I have been married to my lovely wife, Alé Grace, since July of 2020.

Alé Grace and I moved to Littleton directly after our wedding. We come to Colorado by way of Chicago, however Alé Grace is originally from the coast of South Carolina and I am originally from central Kansas. Alé Grace and I moved to the Denver area to attend Denver Seminary, where we are both pursuing Masters degrees in Clinical Mental Health Counseling.

While attending Moody Bible Institute (in Chicago) for my undergraduate degree, I was introduced to the idea of an Anglican Church, and shortly after began attending Immanuel Anglican Church in Uptown, Chicago. I fell deeply in love with the liturgy, and I can say with full confidence that God has used it to change my life. Thus, upon moving to Colorado, Alé Grace and I began looking for ACNA churches to visit. TLC was the first church we visited, and we have already been deeply blessed by our time here.

Aside from attending Denver Seminary, I also work part-time at Monk & Mongoose Coffee in Lone Tree, where I am a barista, train new employees, and help with quality control.

My name is **Lorraine Bosworth**. I am married to David and we have two children, Clara (16) and Stephen (18). Growing up, my family attended a wide variety of church traditions, including Lutheran, Brethren, and Methodist where my father served as an organist and worship director. While I was involved in the Christian tradition through my years growing up, it was at a Christian college in Virginia where I first understood what it meant to follow the Lord.

Following college, I spent a year in South Korea, teaching English as a second language. This invigorated my love of travel and understanding of other cultures, which continues to this day. After my year in South Korea, I felt a strong desire to know God more deeply through His word. This journey took me to Dallas Theological Seminary where I earned a MA in Biblical Studies with a focus on missiology. I have had the privilege of visiting and serving in El Salvador, Guatemala, China, Malaysia, Singapore, India, United Kingdom, Greece and Italy.

Currently, I am a part-time teacher at Summit Academy, a Jeffco charter school for homeschool students, as well as online teaching. I teach junior high and high school literature and history, along with the occasional art class.

I joined TLC in October 2017. During that time, I have served as a group leader in VBS, teacher in children's church and a youth parent volunteer. I was also involved in a women's Bible study as well as a family small group. I am thankful to be a part of the TLC family! This body of believers have been a huge blessing to me and my family!

2020 Vestry Bio's

My name is **Dick Brenner**. I have been married to Janette for 58 years and with God's grace we look forward to many more years together. We have a son Richard and daughter Lynnette. Lynnette has two daughters. The oldest daughter graduated The University of Colorado Phi Beta Kappa in three years and the younger, enrolled at CU in September. They are a both a great joy to us.

My Faith began in 1944 with mother teaching me the Lord's Prayer. I recited it each evening before going to sleep. Over time the prayer recitations ebbed. When I was 10 years old mother enrolled me in the Presbyterian Church's Children's Choir in Casper, Wyoming and I participated in the choir for three years. I was Baptized in November 1963 at St Mark's Episcopal Church in Casper, Wyoming.

After receiving my MS in Statistical Economics from the University of Wyoming in 1965 I found a job at Martin Marietta and we moved to Littleton, Colorado. Two years later I changed jobs and we moved to Lakewood and soon joined St. Joseph's Episcopal Church in Lakewood. I received Confirmation at St. Joseph's Episcopal Church. While members of St Joseph's, I served as Senior Warden. During that period the church established a youth group, started and completed a construction project and significantly enhanced the landscaping. Our pastor retired and we initiated a search, completed it and hired a new priest. I served as Treasurer under the new pastor for three years, and found it all to be most rewarding in both my faith and daily life.

The Episcopal Church and St Joseph's started moving in uncomfortable directions. Janette and I visited several churches, but none seemed right. St. Nicholas Episcopal Church had a new pastor and we visited a service. On the drive home we were quite excited about the new pastor and returned the next Sunday. Our second Sunday at St Nicholas was as fulfilling as the first and St Nicholas became our church home.

I accepted the position of Senior Warden for St Nicholas Episcopal Church and upon completion of those duties I became treasurer. We have moved from The Episcopal Church into the AMIA and now we are ACNA. The Light of Christ has been our home Church since 2002 and I have participated in Small Groups, Mission Board, Work Days, etc. I am blessed and excited to be asked to serve on the vestry of TLC.

My name is **Kay Buturla**. My husband Frank and I have been members of TLC since 2015. I was raised in the Episcopal church where I grew to love the liturgy and the way its structure connects each of us to the entire Anglican Communion.

I have been active in the church throughout my adult life in various capacities (Sunday School, Adult Education, Cursillo, Chalice Bearer, Lector, Discernment Committees, Vestry...). Since 2003, I have also served as a Lay Eucharistic Minister and Pastoral Care Minister.

One of the things that drew Frank and I to TLC is the diversity; people of different backgrounds and cultures, as well as a wide age range, all coming together in love. This is truly an amazing congregation!

2022 Vestry Bio's

My name is **Judi Carey**. My husband, Dennis, and I have been married almost 31 years. We have four children between us, three children-in-law, seven grandchildren, and three great-granddaughters.

I was born and raised in Goodland, Kansas. At 28, I was a single mother of two and my life was going nowhere. The opportunity to go back to college presented itself and I signed up. I packed up myself and my two kids and left behind my family, friends, and the only place I had ever lived to move to a place where I didn't know anyone. But God had a plan. He guided our paths in ways that to the normal eye would seem impossible – but we know nothing is impossible with God! The result was that in October of 1978, I knelt by my bed and asked Jesus to come into my heart and save me from my sin. God had a plan.

I walked an aisle and joined a Southern Baptist church which gave me, as a new Christian, the best biblical foundation possible. I am forever grateful for the teaching I received there. Dennis's background was mostly Catholic so when we looked for a church together, we chose to go the liturgical route. We came to TLC in 2016 when we were searching for a new church home. We attended the New Year's Eve service that year and we've never looked back. God had a plan.

I love TLC and truly feel God leading and moving this congregation to do great things here. The diversity in culture, age, etc of this congregation is one of the most amazing things I've had the blessing of witnessing. I will be grateful to be a part of the leadership team of this church. God has a plan.

My name is **Steven Soe**. My wife is Kabaw. We have three children, Alex, Alice, and Benjamin. I come from an Anglican family and my wife had a Baptist family. All my children were baptized in TLC. I came to the United States in November 2010. I am employed at ALSCO, Denver Central Stockroom.

I was born in Burma as the next to last child of eight. At the age of twenty, I left my village and family because the threat of the Burmese military to my life. I went to Thailand and lived in Karenni Refugee Camp #1 for 11 years. During that time, I was able to finish high school and community college in the camp after which I taught math to ninth and tenth grades, I was a principal for high school and taught in the community college as well.

When I arrived in Denver, I looked for a church and found a Karen Baptist Church. After a year, I met with some Karen Anglican families and we formed Anglican Resurrection Church with some Karen leaders such as Mun Yar Paw, Esther Saw and Thaw Thie Paw. I helped with preaching until Toe Ma came.
